Press release
Brooklyn, 28 June 2017

Labs new Artists | New York
20 July - 30 July 2017
Red Hook Labs, Brooklyn, New York

Harris Mizrahi

Labs Gallery is pleased to announce its summer group show, *Labs New Artists*. The exhibition will feature work by twenty-five emerging, international photographers, unrepresented by a gallery or an agency and selected from Red Hook Labs' Open Call by a jury of industry leaders.

The impressive group of artists will show personal bodies of work that apply fresh techniques and aesthetics to the photographic medium. Red Hook Labs is dedicated to supporting the new talent featured in Labs New Artists, as some are presented in a gallery context for the first time. The exhibition explores contemporary cultural aesthetics, and presents provocative image making. Labs New Artists will celebrate these achievements of a diverse ensemble of exceptional visionaries.

Artists include:

Aleksey Kondratyev (USA); Alexander Lockett (USA); Alexandra Von Fuerst (UK); Balarama Heller (USA); Can Dagarslani (Turkey); Cécile Baudier (Denmark); Emma Ressel (USA); Enda Bowe (UK); Harris Mizrahi (USA); Isabel Magowan (USA); Jon Henry (USA); Joyce Ng (Hong Kong); Justin French (USA); Kenta Nakamura (Japan); Lucie Khahoutian (Georgia); Lucy Ridgard (UK); Matthew Abbott (Australia); Nikki Krecicki (USA); Ondine Viñao (USA); Patricia Voulgaris (USA); Qian Zhao (USA); Rosa Polin (USA); Scandeborgs Scandeborgs (UK); Theo de Gueltzl (France); Vinna Laudico (Canada).

Labs

About Red Hook Labs:

Red Hook Labs is a Public Benefit Corporation dedicated to establishing creative communities and self-sustaining businesses in developing areas. Through its unique relationship with creative industries and commitment to education, events and programming, it's able to connect education and continuing skills training to mentorship, internships and job placement. Red Hook Labs is comprised of four individual Labs: the Studio, Production, Gallery and School. Each combine to make for a truly diverse and dynamic space where the most talented emerging artists, alongside the most acclaimed, go to work, create, exhibit, teach, mentor, learn, collaborate, celebrate, employ and be employed.
